\$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The priors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O.

A GOOD CITIZEN GONE

The Star hears with regret of the death of Mr. Keith Perry, at his home in the Pedro settlement, some six miles west of Summerfield August 16. His remains were interred the following day at the family burying ground at Oxford.

Mr. Perry had only been sick a few days prior to his death. He, in company with a neighbor, Mr. Pittman, had gone to the Crystal River settlement with a view to exchanging homesteads, and on the way there was taken so ill his companion returned with him the following day. Twenty hours later he was a corpse. He died of brain fever.

Dr. Lucky, of Wildwood, was called in, but he was past human help.

Deceased was the oldest son of "Uncle" Peter Perry, a veteran of two wars, who died several years ago.

Mr. Keith Perry was 48 years of age and leaves a widow and large family of children. He was a large hearted, generous, Christian citizen, whose life is worthy of imitation and whose untimely death is sincerely mourned by every person in the Pedro settlement, of which his father was the pioneer settler.

To the bereaved family the Star extends condolence and sympathy.
